

# WAYFAIRERS CASUAL DAY AT FOXBRIDGE

## Monday 15th February 2010

***MOST MEMBERS AT FOXBRIDGE SUBMIT TO DEFEAT  
AS BILL & ROGER SCORE 41! - IMPOSSIBLE TO BEAT!***

At the recent rather chilly Wayfairers initial outing of 2010, which was held at Foxbridge, three members in the first 2 playing groups came in confident that they had “cracked it”! All 3 had played to handicap by scoring 36pts. Victory was not to be theirs however!

In the 5th group out 2 players, Bill Eslor & Roger Sands both recorded 41pts - absolutely obscene scoring! Bill just edged Roger into 2nd place on count back, but neither could be caught - they were both 5pts ahead of the next best in the field. With these incredible scores, and by playing together with Liz (32) & Kevin (32) the Team Prize was theirs as well. Winners by a mere 14pts!

24 members gathered in wintry conditions, but despite low temperatures there was no wind, no rain, sleet or snow and the Course was nicely firm, with not an artificial tee mat in sight. Despite snow falling on the day previous, followed by an extremely icy night, the Wayfairers had done it again, especially as the sleet started slanting down just as the meal began, and the next day all day, saw cold wet driving rain!

Overall scoring was high with a 31pt average. Special mention must go to Chris Wilkes, who playing off 4, scored 34pts. In order to win he would have had to have been off minus 6! Our “casual day” rules merely cut the winner by one shot for the next “casual” gathering, so both Bill & Roger can breathe again! (But bet they can’t do it at Gatton! Ed)

To celebrate the New Year, this was the day that everyone went home clutching a prize of some sort or other, and with old friendships renewed it was an excellent start to 2010.
