

WAYFAIRERS CASUAL DAY AT HORNE PARK

Friday 11th April 2014

***ON COUNT BACK AT HORNE PARK THE WINNER WAS ROGER
HE UNSPORTINGLY BEAT VAL - BUT WAS NO "JAMMIE DODGER"!***

What a difference a year makes! Twelve months ago our headlines were all about rain, mud and heavy hail storms but this time round conditions were excellent on a beautiful Spring day. And who took the credit for this? - our Hon. Sec. of course!

27 players took to the first tee including one very welcome guest. It should have been 28 but suffering from the flu bug Sue McD had to withdraw and become an absentee non-playing Captain. In the favourable conditions scoring was very high with an average of 30.3pts per player.

Beating this by nearly 8pts however were 2 players - Val Ward & Roger Sands, both of whom recorded an unbeatable total of 38pts. And so it came to the dreaded count back with the traditional gift of a Horne Park green cap up for grabs. In the end Roger did what no gentleman should do and he narrowly beat Val. No way to treat a lady Roger! 3rd place also had to be settled on count back with Malcolm Goman (35pts) just edging out Bob Histed.

And so Roger was the winner of a coveted green cap but there was one unforeseen slight problem! Horne Park had run out of green caps so temporarily Roger was given a beige one. Augusta when contacted though were very understanding and promised that for this year they would fall in line with us and at the finish of the Masters present a beige jacket, not a green one!

The 3 Lady Captains all played superbly to inspire their teams and as a playing group they won the separate competition for this with ease. Despite Sue not being present, her bribery to her players really did the trick as they all rallied round her to become clear Team winners. This gave each and every one of them a huge bottle of Chenet red wine. In 2nd place but some way back, were Annie's Army. Being such a sweet lot they all gained a delicious Malteaster chocolate bunny to take home - the exception being greedy Peter Smith who demolished his in seconds! Third place went to Val's Victors who were considered to be such a "jammy" and "dodgy" group of players that they each won a packet of "jammie dodgers"! Finally in last place was the deadly combination of "Ruby's Rebels and they, in true Wayfairers tradition, very fittingly all received their own personal ornamental hedgehog to keep in their gardens!

Following a great meal and an hilarious prize giving a memorable day came to an end.
