December 2022

**A LITTLE FROST DOESN'T STOP THE WAYFAIRERS
A FORMIDABLE TEAM OF DAVID SMITH, RON ADAMS, MICK SHEIL
& JOHN BENSTEAD WON THE DAY**

As we all headed for Holtze the temperature was below freezing and “bright and crisp and even” was very much in evidence. However, as we gathered in the clubhouse we all soon warmed up and the Wayfairer’s Christmas spirit was well in evidence. We were wisely not teeing off until 11.30 am by which time the temperature had risen above freezing and the sun shone brightly as the first Texas Scramble team headed for the first tee where the challenge included the shortest drive!

Late drop outs had resulted in three of the five carefully balanced 4 ball teams being reduced to 3 players which made things difficult with each of the three ball team playing in sequence a second ball –“a ghost player”!
