AT HORNE PARK THE WAYFAIRERS FUTURE WAS CONFIRMED

With persistent rain for most of the week there were doubts as to whether the Wayfairers meeting at Horne Park would take place but on the morning, clearer skies prevailed proving yet again that the sun does shine on the righteous (without John McD's claim to have Vatican influence !).

Derek guided us swiftly through the AGM which enabled our first group of 20 players to tee off slightly ahead of time. Very wet under foot but buggies were allowed restricted to paths which was just as well as exactly half of our members required buggies. Despite the buggies there was a tremendous amount of walking unless you were lucky to drop the ball near the pathway. But it was a damp and muddy day with a little sunshine.

The result was a close fought affair with both Terry King and Kam Wong returning scores of 34 , won only after count back on the last nine holes and then count back on the last 6, with Terry King winning by one point over the last three holes.

Reassuring was the spirit of the Wayfairers, well in evidence at both the AGM discussions and the excellent meal that followed the golf always to be expected of Horne Park.

CHARITY FUND RAISING

As agreed at the AGM, we have paid the sum of £500 to our chosen charity of Jigsaw (South East) and we will need to agree on a new charity to support in future.

Jigsaw (South East) offers grief support to children and young people who have experienced the death of a significant family member through illness, accident, suicide or murder. They also provide support to children and young people who have a family member with a life-limiting condition.

The charity works throughout Surrey and surrounding areas. Referrals can be made directly by families or via health and social services.
